

St. Vincent de Paul Report to Donors - 2023

The Transfiguration Conference of the St. Vincent de Paul Society is grateful to you, our parishioners and friends for your unfailing support. Our outreach, enabled by parishioner contributions and a share of the proceeds from the SVdP Thrift Store in Kennesaw, allows our Neighbors, regardless of religious affiliation, to meet short-term emergencies, including rent and utilities, with dignity.

The following is a summary of SVdP financial activity during 2023:

Total Receipts	\$362,508
Total Disbursements	\$503,999*

*We experienced a decrease in calls during the Covid emergency, largely due to the distribution of Covid related funds sent directly to our neighbors and the moratorium on evictions. Thanks to your continued generosity during that time, we were able to build up a reserve which enabled us to meet the extraordinary need for housing assistance after the moratorium was lifted and into 2023. Total disbursements include \$334,775 for rent and temporary lodging. Our area is experiencing a critical shortage of affordable housing.

Our help is more than financial. Parishioners' in-kind donations of groceries and prepared meals help diminish food insecurity among our Neighbors and others in the community. Where indicated, we partner with other community groups to provide additional help for those we serve.

Every item below represents compassionate person-to-person interactions with those who come to us for help and spiritual encouragement.

Calls to SVdP Helpline	1,897
Neighbors assisted by SVdP Home Visitors	964
Bags of food distributed through SVdP Pantry	4,836
Neighbors assisted through SVdP Pantry	2,057
Bags of survival essentials distributed to Homeless	945
SVdP-prepared meals served via: MUST Ministries, Women's Extension, and Homeless	4,512
Volunteer hours	11,300

On behalf of our Neighbors in Need, may God bless you for your kindness.
